Tournament Site: Danville Area Community College, 2000 E. Main Street, Danville, IL 61832-5199

**Please contact restaurants directly to discuss any food allergies, restrictions, or special dietary needs.**

---

During the registration period each tournament day, NASPA Rated Tournament participants will have **the option of ordering Subway sandwiches to be delivered to the tournament site** before the lunch break. Orders and payment must be received before the start of tournament play each day. A few days before the 2017 tournament, a link to a copy of the order form for items available for delivery will be located on the Summary and Home pages at the [Lunch Orders Link](#). To speed the ordering process, print the form, circle items wanted, and have payment ready.

---

The following list is not an endorsement of any of the listed restaurants. Search Google maps or other on-line map service for a more complete list. The Danville Area Convention and Visitors' Bureau also has an on-line guide which lists restaurants in the area. The link to that guide is located at

<http://danvilleareainfo.com/dining/>

The shortest routes from DACC to a particular region may not be the fastest due to up to 20 minute delays at times at railroad crossings. If leaving campus for lunch, ask at the information table for recommended routes. It is recommended that if driving to S. Gilbert for lunch that you take E. Main Street west to Bowman Ave. Go South to I-74 and then west to the Gilbert Street North exit.

**Some restaurant hours may vary from what is listed here depending upon the season.**
